MEMORANDUM FOR: Director of PIC
THROUGH : Acting Chief, DPD-DD/P
SUBJECT : Contract No. BB-300, ITK Corporation, Recommended Spare Parts List
REFERENCE : COR-0543 dated 7 July 1959

1. Attached are two copies of the Contractor's proposal and five (5) copies each of a list of recommended spare parts for the Indexing Rectifier Printers being procured under the subject contract. The list of spares for the Image Enhancement and Individual Mensuration Viewers will be submitted at a later date.

2. As suggested in referenced memorandum, copies of this list should also be distributed to the Air Force and Army for their review and possible procurement requirements. However, in this case, it is noted that most of the items are standard in nature and may be readily available in stock or local purchase and therefore the Agency and the other Customers may not have a requirement for DPD to procure these items.
